SENT 7 April 2026, 09:18
SUBJECT Sector 10 released, landowner agreement signed

The access agreement with the Sector 10 landowner was signed yesterday and the section between CH 5+300 and CH 5+600 is released to the Subcontractor with effect from today.

The agreement requires the working width to be kept to 8 m and the topsoil to be stripped and stockpiled separately for reinstatement. Please pass this to the trench crew.
